LY **www.lytenders.com** • **Libya**

Comprehensive portal monitoring Libya's national reconstruction tenders, oil & gas developments, infrastructure modernization projects, and municipal procurement initiatives.

Tender Alert Services

Overview

Tender Alert Service keeps businesses informed about the latest procurement opportunities in real time. Through smart notifications and tailored alerts, we ensure that you never miss a tender that matches your sector, country, or area of interest.

Features

- **Customized Alerts** – Notifications tailored to your industry, keywords, country, or authority.
- **Multi-Channel Delivery** – Receive alerts via email, mobile app, and dashboard.
- **Real-Time Updates** – Instant notifications on newly published tenders.
- **Comprehensive Coverage** – Government, private sector, NGOs, associations, and military tenders across the MENA region.
- **Archive Access** – Review past tenders for market research and trend analysis.

Benefits

- Save time by receiving only relevant tenders.
- Improve bidding strategy with timely information.
- Stay ahead of competitors by accessing tenders as soon as they are published.
- Expand opportunities across multiple countries and sectors.
- Increase success rates with better prepared, well-timed bids.

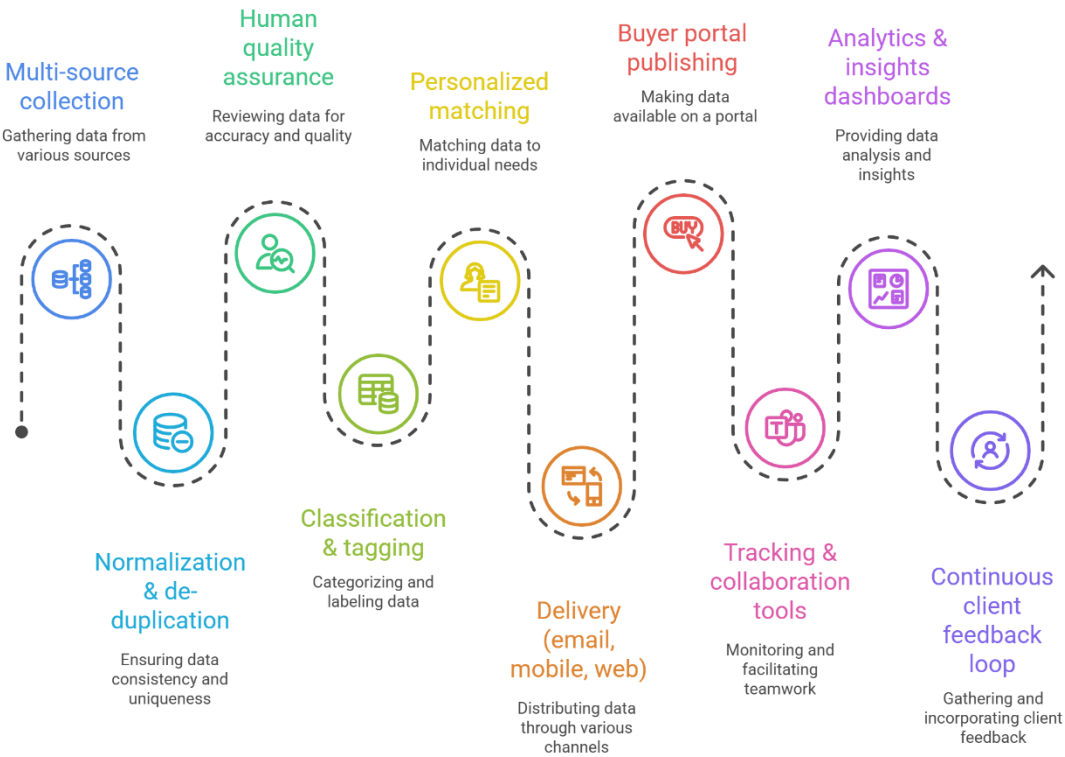

منذ عام SINCE 2013

How It Works

Our tenders alert service blends automation with human verification.

End-to-End Process:

1. Multi-source collection
2. Normalization & de-duplication
3. Human quality assurance
4. Classification & tagging
5. Personalized matching
6. Delivery (email, mobile, web)
7. Buyer portal publishing
8. Tracking & collaboration tools
9. Analytics & insights dashboards
10. Continuous client feedback loop

Subscriptions

Flexible subscriptions supporting your business growth throughout the **GCC, Levant, and international markets**.

TENDERBuyer

TENDER Global provides a dedicated **Buyer Portal**, enabling organizations and government entities to easily **publish tenders, contract awards, and procurement plans**. This service ensures wider visibility, connecting buyers with a diverse network of suppliers and service providers across the region.

Benefits for Publishers

- Save time & effort in tender management
- Expand supplier base & attract new vendors
- Improve quality of submitted offers
- Flexibility to publish annual plans, referrals, & contract awards

Statistics & Reporting

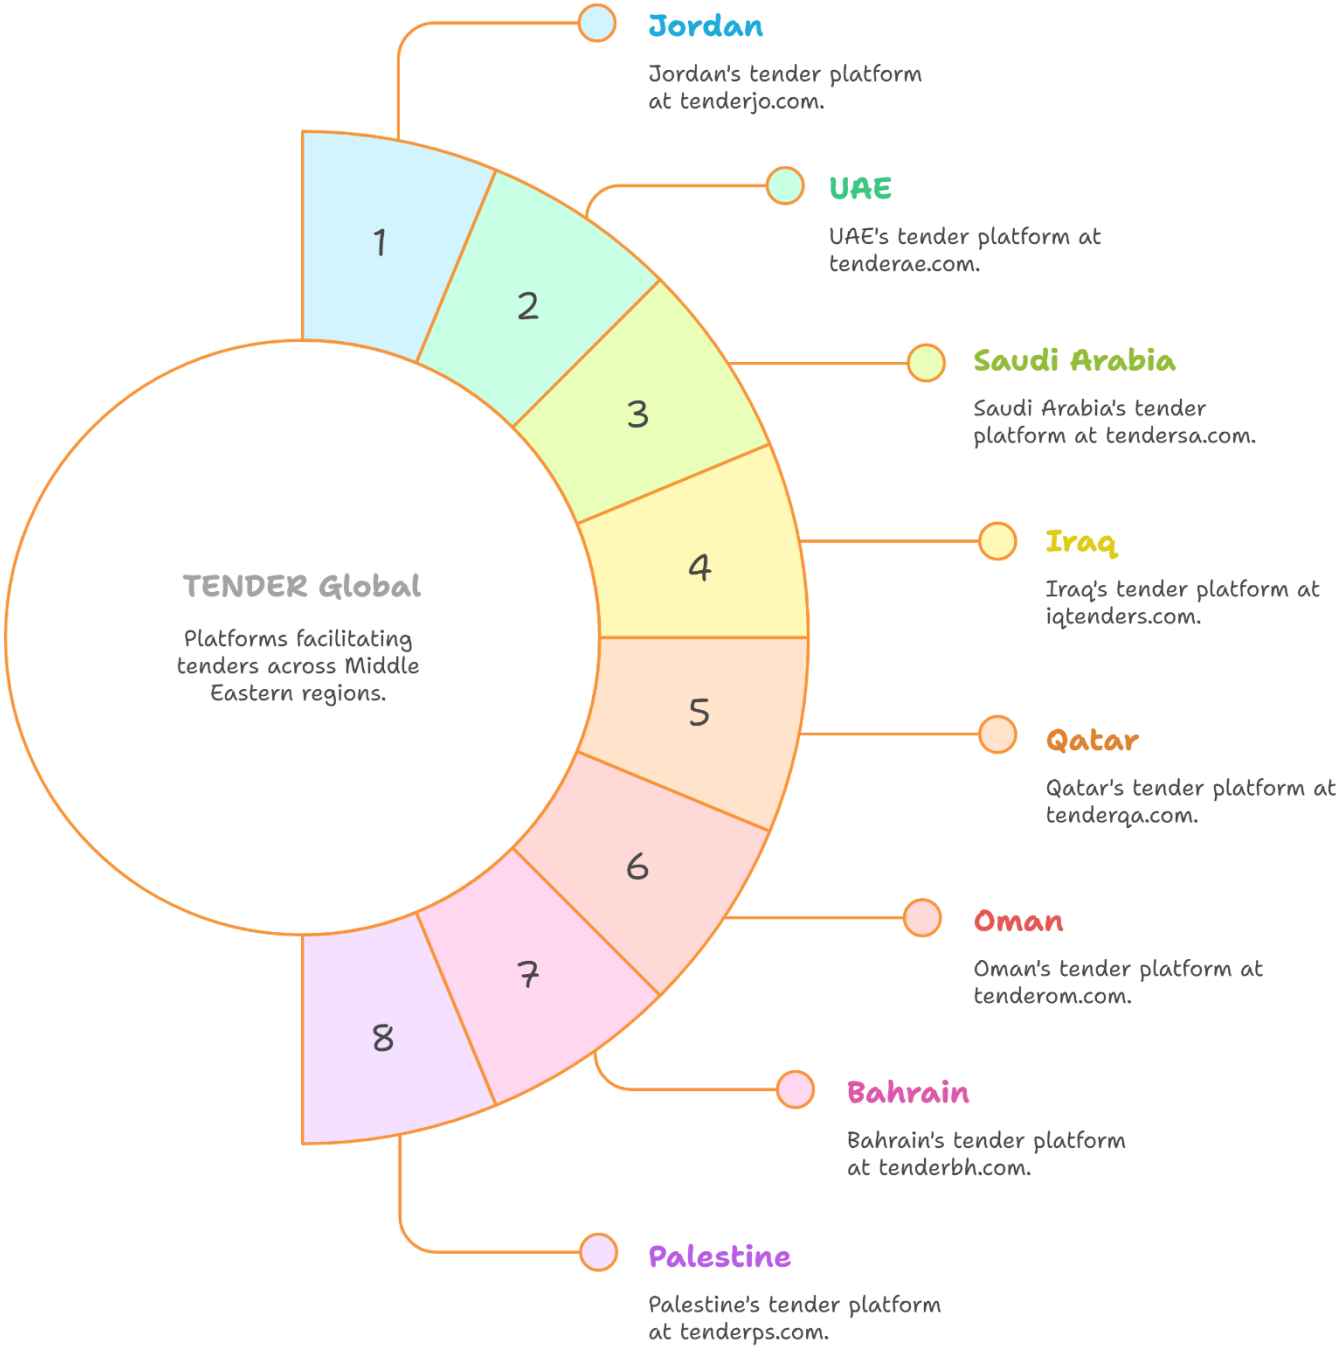

Overview

At TENDER Global, we believe that data is power. Beyond providing access to daily procurement opportunities, our platform delivers comprehensive statistics and reporting tools that empower businesses, publishers, and buyers to make informed, strategic decisions.

With coverage spanning government, private, NGO, association, and military sectors across multiple countries, our analytics transform raw data into actionable market intelligence.

- **Historical Archives**
  Access to over 650,000 tenders collected since 2013, classified by country, sector, publisher, and date.
- **Sector & Market Trends**
  Detailed reports showing procurement activity across government, private, NGO, military, and development projects, highlighting shifts in demand and growth sectors.
- **Publisher Performance**
  Rankings and activity reports for thousands of verified publishers across MENA, from ministries to international organizations.
- **Regional Coverage**
  Statistics span Jordan, UAE, Saudi Arabia, Iraq, Qatar, Oman, Bahrain, and Palestine, offering a full regional procurement perspective.
- **Advanced Dashboards**
  Interactive tools that allow filtering by sector, country, authority, or timeline, enabling precise insights.
